Connect 360

AUTOMATE EVERY TASK - FROM AGMs TO DAILY REMINDERS!
ALL PROPERTY COMMUNICATIONS, ONE POWERFUL PLATFORM.

Connect-360 is South Africa's only all-in-one communications, operations, and marketing suite designed specifically for property management companies - delivering more value than any local or global generic platform.

Why Connect-360?

- **Built for Property Managers:** Purpose-made for property managers, trustees and portfolio administrators, with every feature tailored for property related communications.

- **Power-Packed:** Get unlimited emails, campaigns, reports, calendars, property management system integrations (including MRI), built-in CRM data module with essential tools, automated AGM/SGM reminders and more **- ALL included from the start.**

- **Smarter Pricing:** Transparent, property-focused tiers priced competitively with local and global SaaS alternatives - but with far greater value.

- **Seamless Scaling**: Grow effortlessly with clear bundles, no hidden costs and full features set, from the start.

- **Powerful SMS Bundling:** Competitive SMS rates that become unbeatable when combined with Connect-360's full email suite.

Secure. Powerful. Compliant.
